Change of the Subject Editor in Silva Fennica

Maltamo M. (2020). Change of the Subject Editor in Silva Fennica. Silva Fennica vol. 54 no. 1 article id 10333. 1 p. <https://doi.org/10.14214/sf.10333>

New Editors, Subject Editors and Editorial Board of Silva Fennica started in the beginning of year 2019. Now we are facing the first change among our Subject Editors. Senior Researcher Lars Eliasson from Skogforsk, Sweden has worked as the Subject Editor for Logistics and Forest Engineering. Now he has to resign as the Subject Editor for Silva Fennica due to other working duties. I would like to warmly thank Lars for his work for Silva Fennica. During 2019 we had a quite high number of manuscripts in the area of logistics and forest engineering and Lars successfully handled all these papers. Thank you, you really did excellent job!

I would also like to welcome our new Subject Editor for Logistics and Forest Engineering. Researcher Jussi Manner from Skogforsk will start in this task after Lars. Welcome!

Matti Maltamo
Editor-in-Chief
